It's Your Life

Milla

We had this dream
Locked behind these wicked thoughts
You and I felt the pain
Passed from him, to me, to you
Reaching out in to the empty space, we lost our placeIt's your life, it's your soul
It's everything you give to him
It's my heart in your hands
Keep it or just let it fall
Another stone placed in my wall
Pieces will fall, they fallI brush away the flaming hair across your cheek
See these eyes that lit my life
Now they're cold and dark and gone
With your smile I'll cross this hopeless line
But don't waste timeIt's your life, it's your soul
It's everything you give to him
It's my heart in your hands
Keep it or just let it fall
Another stone placed in my wall
The pieces may come from me, loveIt's your life, it's your mind
Choices that you make, my love
It's my heart in your hands
Keep it or just let it fall
Another stone placed in my wall
Pieces will fall, they fall
Another stone placed in my wall
Know the piecesCan't we see above this wall, this wall?
