

# Promise Ring

Jhene

T.U.G. ...Jhene...one for the trucks

[Chorus] Sometimes I feel so unsure, thinking my baby don't love me no more

And that's when I get to trippin,

Accuse him of things that are all in my head

I don't want to feel insecure, but saying it ain't enough

Show me what's up, some kind of token of love

It don't have to cost that much

Make me blush

And slide one on my finger

[Chorus] If you buy me a promise ring I'll give you my everything

Yes or No boy don't you say maybe come be my baby and I'll be your girl

Promise Ring or Jacob watch that's the way to win my heart

I'm hanging on
