

# Love Is All That Matters

Dean Martin

(Love is all, love is all, love is all, love is all, love is all)  
Love is all that matters  
And we've got love  
We have walked all with a prize (love is all, love is all)The stars that I used to see  
Are not where they used to be  
They only will shine for me in your eyes  
(Love is all that matters to me)You are all that matters  
And I've got you  
We're on top and we won't fall (we won't fall 'cause love is all)  
No fortune that we can boastWe're happy with tea and toast  
For we've got love and love matters most of all  
(You are all that matters and I've got you)  
(We're on top and we won't fall)
