

Always Where I Need to Be (Acoustic)

The Kooks

She don't know who she is,
I can take her anywhere,
Do whatever comes naturally to you,
You know she just don't care
You know she just don't care 'Cause I'm always where I need to be
Yeah, and I always thought I would end up
With you, eventually
Do dodo do do do do
Do dodo do do do do
Do dodo do do Now I see her again,
I ask to be her hummingbird,
Whisper words in her ear,
Oh now you know I just don't care, 'Cause I'm always where I,
Where I need to be
And I always thought
I would end up with you eventually
Do dodo do do do do
Do dodo do do do do
Do dodo do do
