

# Octagon, Octagon, Octagon

## The Mint Chicks

I'll be gone!

Bend my time

Beside the line

Life can end

Easily

Audio

You can rewind

I will leave

You Behind

Lose the way

Which you once knew

I will find

Avenues

Way to go

What do you know

I'll be gone

You'll be wrong

Peel, stick and send

Scrape the eyes off

Peel, stick and send

Scrape the eyes off

Peel, stick and send

Scrape the eyes off

Peel, stick and send

Scrape the eyes off

Peel, stick and send

Scrape the eyes off

Peel, stick and send

Scrape the eyes off

Peel, stick and send

Scrape the eyes off

Peel, stick and send

Scrape the eyes off your chest.
