

If You Fall

Ad Finem

Everyday people come and people go
But my love for you remains strong and true
As sure as the god above, as sure as the sun and moon
Iâ€™ll stand beside you, through the best and the worst of times
Weâ€™ll pull through.

If you fall let me catch you
If you cry let me wipe your tears away
Donâ€™t ever think that youâ€™re alone
I will be there.
I will be there.

Tell me how to make your dreams come true
Will you let me love you when you donâ€™t know where to turn?
I know that there will come a day
When I will fall and I will need you there.

If you fall let me catch you
If you cry let me wipe your tears away
Donâ€™t ever think that youâ€™re alone
I will be there.
If you cry
I will be there.
