

Tell Me Why (The Riddle)

[Paul van Dyk](#)

Tell me why, tell me why Wonder if I could open my heart again
(If I could, if I could, if I could)
Must be me why I feel like start again Wonder if I could open my heart again
(Heart again, heart again)
Must be me why I feel like smile again The morning comes and the snow is falling
The morning comes and the snow is falling
The morning comes and the snow is falling
The morning comes and the snow is falling Tell me why, tell me why, tell me why, tell me why The morning
comes and the snow is falling
The morning comes and the snow is falling The morning comes, I can understand the reason
And snow the is falling
(Tell me why) The morning comes, I can understand the reason
And snow the is falling
(Tell me why)
