

# Back at the Funny Farm

Motörhead

Hammer pounding in my heart, I think it's gonna burst,  
Spring unwinding in my head, I don't know which is worse,  
I hear you talking but the words are kinda strange,  
One of us is crazy and the other one's insane Stay calm, don't be alarmed, it's just a holiday,  
Back at the funny farm Nothing in this cold white room to help me recognize,  
I don't understand why everyone is in disguise,  
I gotta leave right now, I can't stay here no more,  
But I'm afraid to try in case they lock the door Can't find no windows but I gotta get outside,  
Can you help me stand it feels like both my legs have died,  
What was that injection 'cos I think it's going wrong,  
I really like this jacket but the sleeves are much too long
