Juke Joint

Jay Gordon

That's my song man
Somebody put the juke joint on, listen to the words of the song
Let me prove what I say is true, that I'm really really feelin' you
Hey, hey, hey shorty, why you're here standin' alone?
Do you need a little company? Can I help you find your way home
Do you wanna talk to me? I don't need no lines boy
What you got to say to me, I'm sure I've heard of many times before
You got that sparkle in your eyes that a guy just can't miss
Oh, no or your cinnamon tone, girl, I can't resist
Ooh, oh, oh, I hear you, baby, listen to this
You got to win all my affection, if you want to sample my kiss, oh
Somebody put the juke joint on, listen to the words of the song
Let me prove what I say is true, that I'm really really feelin' you
I'm sure you do, wanna get to know me better
I want to hold you all night long
Oh, you can play whatever
Somebody put the juke joint on
Somebody put the juke joint on
Somebody put the juke joint on
Somebody put the juke joint on
Suddenly I find myself slowly falling
Something about you makes me wanna give your love a try
Oh honey, come and hang with me, girl
Maybe I could stay for a while
Closer baby dance with me, wanna feel you next to me I
Put a quarter in the jukebox, the music not the issues
She really digging your style that official
And I've been tryna tell you, man, she want your attention

But you ain't tryna hear me now, now she playing hard to get
Your ex-girl friend still be calling your phone
Tell me, what's it gonna take for her to realize this
This is love at first sight, kid
Open eyes remember one thing in life true love won't lie
Somebody put the juke joint on, listen to the words of the song
Let me prove what I say is true, that I'm really really feelin' you
You know I do, wanna get to know you better
I want to hold you all night long
Baby, you can play whatever

Somebody put the juke joint on
Somebody put the juke joint on
Somebody put the juke joint on
Somebody put the juke joint on
{Cosa loca, con sabor, vamo arriba bilador
Siente el aire esta caliente, es el juego del amor
De caricias y pasion, este fuego esta ardiente
Sienta la musica}
Somebody put the juke joint on, listen to the words of the song
Let me prove what I say is true, that I'm really really feelin' you
I'm sure you do, wanna get to know me better
I want to hold you all night long
Baby, you can play whatever
Somebody put the juke joint on
Somebody put the juke joint on
Somebody put the juke joint on
Somebody put the juke joint on
