

Bad Body Double (Instrumental Version)

Imogen Heap

She pops into the bathroom
Just after a shower and
She plays with my makeup and creams
"Heap's trying to look like me" And goes through the motions posing this way and that
Holding it in
If it makes you feel better then knock yourself out Say hi there to my bad body double
This is my bad body double trouble
Oh no my bad body double mm hm
I got bad body double trouble oh. She's trouble
She's trouble
She's trouble alright. Yeah yeah Sometimes I just want to lose her
Shake her at a bar or gym for five minutes
It feels so good to be back in my own self again
Can get quite confusing. We look very similar except she's got some grays and
A little extra weight on the side
Dimply thighs I hear that stuff's a bitch to get rid off. We're having quite an intimate personal moment (not now)
Could you maybe come at a slightly less awful time? (not now)
She can see I've got someone quite nice here with me
Can't we just be left alone
I guess that's a no then
Seeing as how you're still here
Seeing as how you're still here It's not me no
It's my bad body double
I've got bad body double trouble
Oh no my bad body double mm hm
I've got bad body double trouble agh.
Bad body double mm hm.
I've got bad body double trouble
Oh dear my bad body double mm hm
I got bad body double trouble. She's trouble
She's trouble
She's trouble alright.
Yeah, yeah, yeah.
She's trouble
She's trouble.
She's trouble alright.
Yeah, yeah right there. Can't shake her can't shake her can't shake her can't shake her
Everywhere I go everywhere I go go
Can't shake her can't shake her can't shake her can't shake her

Everywhere I go everywhere I go
Say hi there
To my bad body double
My bad bad bad body double.
She's trouble
I can't shake her.
I hate her I hate her I hate her I hate her I hate her.
She's everywhere I go
I've gotta get rid
Of you once and for all
