

Say Goodbye

Nicholas David

I would breathe for
I could breathe for you
If you only let me try
I would cry for
I would die for you
If you only let me say goodbye
Say goodbye
Say goodbye
Mmmm

We watched 'em grow
We watched 'em rise
We watched 'em change
Right before our very eyes
And different ways
Some goin' that way
Some comin' from here
Others have just arrived
Just arrived
Just arrived
Oooh

I've watched you grow
You're the most beautiful
Thing I ever seen
You meant my world
Each day
You're wonderful
No matter how down you get
You're wonderful
No matter how broken you feel
You're wonderful
Oh oh

[Solo]

I could breathe for
I would breathe for you
If you only let me try
I would cry for

I would die for you
If you only let me say goodbye
Say goodbye
Say goodbye
Say goodbye
Say goodbye
Mmmm mmm
