

Under The Waves (Instrumental)

Pendulum

I lie still as the water
My bitter visions are broken
Head caught in the torment
Cruel as the ocean
Dreams are made in the distance
I will not be among them
Silence is killing me
And I can hardly touch the ground I am deep in a river
Waves above my head
Help with my spirit
We descend
We reach the end I am deep in a river
Waves above my head
Help with my spirit
We descend
We reach the end I am deep in a river
Waves above my head
Help with my spirit
We descend
We reach the end
