

# Drawn to the Blood

Sufjan Stevens

I'm drawn to the blood  
The flight of a one-winged dove  
How? How did this happen?  
How? How did this happen? The strength of his arm  
My lover caught me off guard  
How? Head of a rabbit  
How? Head of a rabbit For my prayer has always been love  
What did I do to deserve this? With blood on my sleeve  
Delilah, avenge my grief  
How? God of Elijah  
How? God of Elijah As fire to the sun  
Tell me what I have done  
How? Heart of a dragon  
How? Heart of a dragon For my prayer has always been love  
What did I do to deserve this now?  
How did this happen?
