

# You Are The One (feat. Sam Milby)

Toni Gonzaga

Another day passes by, I'm dreamin' of you,  
And though I know it might be just a dream, dreams come true,  
Somewhere, somehow I'll find you even though it takes all of  
My life{all of my life}And when I finally do{and when I finally do}  
I know inside my heart{ I know inside my heart}  
That there could be no doubt, I knew it from the start{you are the one}you are the one  
That I've been searching for my whole life through,  
{you are the one}you are the one that I've been looking for  
And now that I have found you,  
{duet} I'll never let you go, I'll hold you in my arms  
You are the oneAnother night spent alone  
I'm lying in the dark{lying in the dark}  
I don't know your name  
But I know your voice sings to my heart{voice sings to my heart}  
A sweet melody, a symphony of loveI know that come one day{i know that come one day}  
I time for you and me{a time for you and me}  
To finally be together, cause I know we're meant to be  
{repeat cho. except last sentence}Forever's a meaningless word  
Even though you're here with me  
Here by my side, here in my heart{duet} I'll never let you go I'll hold you in my arms{you are the one} you are  
the one that I've been searching for my whole life through  
{you are the one}that I've been looking for and now that I have found you  
{duet} I'll never let you go, I'll hold you in my arms  
{repeat 1}'Cause you are the one, you are the one
