Call Me

Meshell Ndegeocello

Dial the 7 digits,
It's quite simple
I'll be there in a hurry
Jack be quick Jack be nimble
Call me up when you feel the need to talk
When words aren't of the essence I'll soothe you with my presence
A kiss here and there from head to toe
Just call me up when you want more
You can be king for a day I'll be your queen let me treat you that way
When you need me baby, yeah!
Just call me
Are you into this
If not we can do that 'cause when we get together
it's like Lena Horne singin'Stormy weather"
We can get loose and kinky
Be my teddy bear, forget your every care
the M-E-S-H-E-E-L and I aim to please your every little fantasy
You can be king for a day I'll be your queen let me treat you that way
Get loose work out
Work up a sweat till you fall out I'm in the mood for love
So we can play house I'll treat you like Julius Caesar
Best to bet that I'll treat you like a king, ring a ding ding
Just call me up 'cause it ain't nothing but the real thing
Dazin'glazin', so amazin'
Snugger than a bug in a rug
So let's get crazy
