

Wasted

Circle Jerks

I was so wasted
I was so wasted I was a hippie, I was a burnout
I was a dropout, you know I was out of my head
And I was a surfer, I had a skateboard
I was so heavy man, you know I lived on the strand I was so wasted
I was wasted
I was so wasted
I was wasted I was so fucked up, I was so screwed up
I was so jacked up, couldn't get any higher than that
And I was so pillled up, I was so nebbled out
I was so jacked up, I was out of my head I was so wasted
I was wasted
I was so wasted
I was wasted
