

# Every Colour of Love

Arthur Sharpe

Lost we lay upon this willow  
I'm so tired and old  
( watch the geese come roe unfettered )  
hear the clatter of bones

i'll lie in front of you  
i'll lie in front of you  
with every colour of love, in your eyes  
with every colour of love in your eyes  
i'm right in front of you  
i'm right in front of you

with every colour of love in your eyes  
with every colour of love in your eyes  
with every colour of love in your eyes  
with every colour of love  
with every colour of love  
with every colour of love in your eyes

with every colour of love  
with every colour of love  
with every colour of love in your eyes  
la laa la la la  
la la  
la la  
la laa la la la  
la la  
la la
