Suicide Doors

Reverend Horton Heat

I've got a licoln continential
lord you know thats right
I've got a licoln continential
Lord you know thats right
gold chrome wheels paint cloressant whitegoin out to california to see the roadster show
sogovia, texas 12 hundred miles to go
i've got a lincoln continental
Lord I don't drive slowits got suicide doors (suicide doors)
its got suicide doors (suicide doors)shes got three hundred horses
four-twenties under her hood
shes got three hundred horses
four-twenties under her hood
when I put that pedal down
it'll jerk your head back goodits got suicide doors (suicide doors)
its got suicide doors (suicide doors)
yeai've got a lincoln continental
lord you know its straight
i've got a lincoln continental
lord you know its straight
i've got a deal on my lincoln
one thats really first rateits got suicide doors (suicide doors)
its got suicide doors (suicide doors)
its got suicide doors (suicide doors)
its got suicide doors (suicide doors)i've got a deal on my lincoln
one thats really first rate
