

Who's Ya Daddy

Juvenile

Girl, you're lookin' like a '4 dropped low to the ground
Ooh, I like it when you shake it up and swing it around
Don't stop, ooh, you servin' it now
Have a nigga lookin' for you, searchin' around I tried to pass you up but you're lookin' so hot
Got my dick gettin' stiffer than a robot
You not lookin' concerned about what a hoe got
You just layin' it down right there in yo' spot When you pass a nigga, come to a slow stop
Wonderin' how I'm lookin' when the clothes drop
Fresh out of the fingernail and toe shop
Lookin' real, I gotta get her when the hoe pop She got a shape, ain't nothin' fake, she in the race
Her pretty face, I'd give her a 7 or 8 or maybe 9 if she really fine
Side and behind with a lady mind
Diamonds, she genuine Let your hair down, girl, you already know
When I grab ya ass, I ain't gonna let it go
Ooh, I'm the shit and you the poo poo
Let a nigga fuck you with that uptown voodoo You my lil' mamma mia and you already know
Who's ya daddy, who's ya daddy, who's ya daddy, hoe?
You my lil' mamma mia and you already know
Who's ya daddy, who's ya daddy, who's ya daddy hoe? Your big, fine, don't be scared, put your hands up
Give me a minute, you ain't gotta give your man up
In a relationship, I understand and what?
He ain't focusin' right now, so we can fuck Move, shake, bounce, pop
Pancake it, pull it over at the bus stop
Swing it back around, stop it there and make it wiggle
Put it in reverse and back it up just a little It ain't your birthday, nope, it ain't your birthday
But I'ma treat you like that, if you can serve me
Girl, you a stallion, let me take you to the derby
I bet a hundred that you gon' be up in first place Pose, move, stop, walk
Shit, I think you more finer than the block talk
Ladies, put your hands up if you need to get dropped off
Up even higher if you wanna leave in my car Let your hair down girl, you already know
When I grab ya ass I ain't gonna let it go
Ooh, I'm the shit and you the poo poo
Let a nigga fuck you with that uptown voo-doo You my lil' mamma mia and you already know
Who's ya daddy, who's ya daddy, who's ya daddy, hoe?
You my lil' mamma mia and you already know
Who's ya daddy, who's ya daddy, who's ya daddy, hoe? Like it when you be dressin' all fancy
And your lips be lookin' like candy
Come here and get you a sip of this brandy

Let me think a size off of what I can see
You musta been eatin' by grannies
'Cause that ass lookin' phat in them panties
Tryin' to treat you like one of my family
And I won't be actin' like your man be I'm the shit lil' mama, just chance me
'Cause you're lookin' at a more advanced me
Now drop it and pop it and shake it like a dog
Look back at a gangsta when you're catchin' the wall
Let your hair down, girl, you already know
When I grab ya ass, I ain't gonna let it go
Ooh, I'm the shit and you the poo poo
Let a nigga fuck you with that uptown voo-doo
You my lil' mamma mia and you already know
Who's ya daddy, who's ya daddy, who's ya daddy, hoe?
You my lil' mamma mia and you already know
Who's ya daddy, who's ya daddy, who's ya daddy, hoe?
