I'm Gonna Help You

Jimmy Reed

Running away sure, ain't gonna help youOh girl, why won't you talk to me on the phone?
Every time I call, you disguise your voice
And tell me you're not at homeAnd girl this cold shoulder you're giving me
I don't understand
Could it be that you've already got yourself a man
If notRunning away sure, ain't gonna help you
I'm gonna get you girl, I'm gonna get now
Running away sure, ain't gonna help you
I'm gonna get you girl, I'm gonna get
Could it be, could it be
That you're afraid of me?
If so I never recall giving you a reason
You know how much I love you
