

Young Volcanoes (2013)

Fall Out Boy

When Rome's in ruin,
We are the lions free of the coliseums
In poison places, we are anti-venom
We're the beginning of the end Tonight, the foxes hunt the hounds
It's all over now
Before it has begun
We've already won We are wild
We are like young volcanoes
We are wild
Americana, exotica
Do you wanna feel a little beautiful, baby? Come on, make it easy, say I never mattered
Run it up the flag pole,
We will teach you how to make boys next door out of assholes Tonight, the foxes hunt the hounds
And it's all over now
Before it has begun
We've already won We are wild
We are like young volcanoes
We are wild
Americana, exotica
Do you wanna feel a little beautiful, baby? We are wild
We are like young volcanoes
We are wild
Americana, exotica
Do you wanna feel a little beautiful, baby?
