

# Anna Marie

## Palladium Featuring Shezar

Tonight while the snowflakes are falling  
    Here in my dreams I can see  
The white cherry blossoms of shamon  
    Where I walked with Anna Marie  
        Anna Marie, Anna Marie  
    My heart remembers and sighs  
Ce vous, ce vous, mi ami beaucoup  
        I miss you Anna Marie  
    My love was pledged to another  
    But I knew as I crossed the sea  
    That I'd never loved any other  
        As I loved my Anna Marie  
        Anna Marie, Anna Marie  
    My heart remembers and sighs  
Ce vous, ce vous, mi ami beaucoup  
        I miss you Anna Marie  
    (I miss you Anna Marie)
