

# The Devil

**Mark Atkins**

As soon as I'm left alone  
The Devil wanders into my soul  
And I pretend to myself  
And I pretend to myself  
I go out to the old milestone  
Insanely expecting you to come there knowing  
That I wait for you there  
That I wait for you there  
Come, come  
Come here at once  
Come, come  
On a night with no moon  
Because all of my being  
Is now in pining  
All of my being  
Is now in pining  
What finally cheered me  
Now seems  
Insignificant  
Insignificant
