

# Wishing On A Star

**Jordin Sparks**

I'm wishing on a star  
To follow where you are  
I'm wishing on a dream  
To follow what it means  
And I wish on all the rainbows that I see  
I wish on all the people who really dream  
And I'm wishing on tomorrow, praying never comes  
And I'm wishing on all the loving we've never done  
I feel it's time we should make up baby  
I feel it's time for us to get back together  
And make the best of things, oh baby  
When we're together, uh, whether or never  
I'm wishing on a star, uh, yeah  
To follow where you are  
I'm wishing on a star
