

Undertow

Molotov

As the beat begin to drop and my heart begin to stop
Focus your attention from the toe to the top
Of my head as it be boppin' whit my eyes closed
'Cuz I kinda like you how the grove flows What stipulates being a free man
You can close me in and throw away the key, man
But where you hide that key, you better hide it well
And if you tell somebody tell that person not to tell 'Cuz you don't know what you got until it's gone
Shit let's see what happens at the end of the millennium
People's gone crazy getting kinda tribal
Middle East, world war 3, it's in the Bible Gonna let it flow just like the undertow
Undertow, undertow
Keep it down low you're upstream without row
Undertow, undertow Gonna let it flow just like the undertow
Undertow, undertow
Keep it down low you're upstream without row
Undertow, undertow Si la tierra esta hecha pa' que el hombre domine
Porque es un pecado cuando entierro mi semilla
Si los compas de Jesus eran casi vagabundos
Porque nos echan mierda caminando por su mundo
Vamos, hablemos de un gran rey Who giveth life to the man, so they take it away
It's your life, so live it, esto es para ti, so get it
If something is trying to get you down don't let it
There's always gonna be somebody on top Don't get jealous, don't get mad
Just give 'em their props
Gotta a lot of people who would like to see us stop
Pero Dios nos regalo el Hip Hop Gonna let it flow just like the undertow
Undertow, undertow
Keep it down low you're upstream without row
Undertow, undertow Gonna let it flow just like the undertow
Undertow, undertow
Keep it down low you're upstream without row
Undertow, undertow Gonna let it flow just like the undertow
Undertow, undertow
Keep it down low you're upstream without row
Undertow, undertow Gonna let it flow just like the undertow
Undertow, undertow
Keep it down low you're upstream without row
Undertow, undertow
