Welcome to Daylight

Luminate

Welcome to daylight open your eyes for the very first time
Look in the miorror
See yourself through the heavens eyes
Look beyond the old you
Everything you held to
Oh you don't need it anymore
Welcome to daylight
Open yours eyesWhen the light breaks out
Like a midnight sun
Blazing right in front
Of you
Life is here and now
and its just begun
Your destiny is breaking through
Welcome to daylight
Whoa whoa
Whoa whoa
Welcome to daylight
There's no looking back now
Oh were moving full speed ahead
We're leaving the past now yeah
For the life we're meant to live
Finally embracing the love that
We've been chasing
Oh this is everything and moreWelcome to daylight
Open yours eyes
When the light breaks out
Like a midnight sun
Blazing right in front
Of you
Life is here and now
and its just begun
Your destiny is breaking through
Welcome to daylight
Whoa whoa
Whoa whoa
