Gettin' It On

Mint Condition

Gettin' it on, gettin' it on, oh baby
Oh, I like it, when I'm deep inside of you
You sigh 'cause you feel the same way
Too excited, when I touch you there
Let the love take control
Of mind, body and soul, yeah
Gettin' it on, gettin' it on
A feeling that's good just can't be wrong
Gettin' it on, gettin' it on
Gettin' it on with my baby
Gettin' it on, gettin' it on
Me and you just can't be wrong
Gettin' it on, gettin' it on
Girl you drive me crazy
If you like, I just might go down for you
Kissing, all over your toes 'til
Ooo, you know from pleasures never known before
Just relax, I'll do the things that keeps you coming
Coming back, yeah
Gettin' it on, gettin' it on
A feeling that's good just can't be wrong
Gettin' it on, gettin' it on
Gettin' it on with my baby
Gettin' it on, gettin' it on
Me and you just can't be wrong
Gettin' it on, gettin' it on
Girl you drive me crazy
Girl you got me high from every time you ride
Me around and round, around in you heart, yeah
You're my living one, deep as any ocean
When or wherever we are, I'll just love it when
Gettin' it on, gettin' it on
A feeling that's good just can't be wrong
Gettin' it on, gettin' it on
Gettin' it on with my baby
Gettin' it on, gettin' it on
Me and you just can't be wrong
Gettin' it on, gettin' it on
Girl you drive me crazy

Gettin' it on, gettin' it on
Gettin' it on, gettin' it on
Gettin' it on, gettin' it on
Gettin' it on, gettin' it on
Gettin' it on, gettin' it on
A feeling that's good just can't be wrong
Gettin' it on, gettin' it on
Gettin' it on with my baby
Gettin' it on, gettin' it on
Me and you just can't be wrong
Gettin' it on, gettin' it on
Girl you drive me crazy
Gettin' it on, gettin' it on
Gettin' it on, gettin' it on
Gettin' it on, gettin' it on
