## **Bad Boys**

## Whitesnake

I know you, you know me
I'm the black sheep of the family
I'm in an' out of trouble
I'm the talk of the town
I get wild in the street

When the sun goes downI steal around, like a thief in the night

Dancing 'til the break of dayBad boys

Running undercover of moonlight

Bad, bad boys

Getting wild in the street

Wild in the cityI see you, you see me

Just a black street boy in society

With high-heeled women full of champagne an' lies

Getting wild in the street

'Til the hot sunrise

Stealing round like a thief in the night

Dancing 'til the break of dayBad boys

Running undercover of moonlight

Bad, bad boys

Getting wild in the street

Wild in the city

Wild in the city

Wild in the cityBad, bad boys

Running undercover of moonlight

Bad, bad boys

Getting wild in the street

Wild in the cityI know you, you know me

I'm the black sheep of the family

I'm in an' out of trouble

I'm the talk of the town

I get wild in the street

When the sun goes downI don't care what the people think

I can't hear what the people say

I steal around like a thief in the night

Dancing 'til the break of dayBad, bad boys

Running undercover of moonlight

Bad, bad boys

Getting wild in the streetBad, bad, bad boys

Running undercover of moonlight

Bad, bad boys
Getting wild in the street
Wild in the cityUndercover of moonlight
Undercover of moonlight
Undercover of moonlight
