

Winter Song

Caesars

The wind is freezin' all around
Dirty snow keeps falling down
I'm still here and you are gone
The city is cold and winter has come
Ooh gone, ooh gone, all winter long
Ooh gone, ooh gone, all winter long
I'm running down the icy streets
Trying to catch the last sun beam
Stumbling on my tired feet
Chasing down the summer street
Ooh gone, ooh gone, all winter long

Ooh gone, ooh gone, all winter long
The wind is freezin' all around
And dirty snow keeps falling down
I'm still here and you are gone
The city is cold and winter has come
Ooh gone, ooh gone, all winter long
Ooh gone, ooh gone, all winter long
Ooh gone, ooh gone, all winter long
Ooh gone, ooh gone, all winter long
