

# Melt My Heart to Stone

[Adele](#)

Right under my feet is air made of bricks  
It pulls me down and turns me weak for you  
I find myself repeatin' like a broken tune  
And Im forever excusin' your intentions Then I give in to my pretendings  
Which forgive you each time  
Without me knowing  
They melt my heart to stone And I hear your words that I made up  
You say my name like there could be an us  
I best tidy up my head, Im the only one in love  
Im the only one in love Each and every time I turn around to leave  
I feel my heart begin to burst and bleed  
So desperately I try to link it with my head  
But instead I fall back to my knees As you tear away right through me  
I forgive you once again  
Without me knowin'  
Youve burnt my heart to stone And I hear your words that I made up  
You say my name like there could be an us  
I best tidy up my head, Im the only one in love  
Im the only one in love Why do you steal my hand  
Whenever Im standin' my own ground?  
You build me up and leave me there I hear your words you made up  
I say your name like there should be an us  
I best tidy up my head, Im the only one in love  
Im the only one in love
