Winter Rose

Fairground Attraction

Precious winter rose
Beautiful and rare
Precious winter rose
In the garden thereNow there's only thorns
In the garden there
All of the petals are tattered and torn
Scattered everywhereAnd the hand that crushed
The winter rose was mine
Yes, the hand that crushed
The winter rose was mineYes, the hand that crushed
The winter rose was mine, was mine
Yes, the hand that crushed
The winter rose was mine, was mine
Was mineThe hand that crushed
The winter rose was mineSo beautiful and rare
