

# I Need My Nigga Back

Philthy Rich

Haven't forgot you nigga, it's Pilthy  
Look, look, look, look,

[Chorus 2X]

I got my head to sky, man I need my nigga back  
Asking GOD to watch over me and keep me on track  
Ever since you've been gone, I don't know how to act  
I got my hand on my chrome and I'm rocking like that

[1st Verse]

I got your face on my chest and your name around my neck  
Until I die your name I'ma rep  
I'ma keep you alive like you was still here  
I watched my best friend die, every night I cry tears  
If I see them I'ma bust  
And I aint going to give a fuck  
I leaving with the coroner on the San Quentin bus  
Man he took your life so I aint going to say it twice  
(??) the boys from me if they get it that they life  
In the back of the car, but they won't let me out  
Kicking on the windows until they fucking let me out  
Scream and cry and shout  
But it won't bring him back  
Should of stayed at the house, why the fuck did we go back  
Aint no day that go by that I don't think about you  
Every time I wake up I'm like, man it's not true  
Man I'm missing my nigga and I don't know what to do  
I've been sick since you left, walking around with the flu

[Chorus 2X]

I got my head to sky, man I need my nigga back  
Asking GOD to watch over me and keep me on track  
Ever since you've been gone, I don't know how to act  
I got my hand on my chrome and I'm rocking like that

[2nd Verse]

Ever since you've been gone Dre I feel so lost  
And tell them to cut my phone off cause' I don't even want to talk  
Remember Rell hit my phone and told me my nigga was gone  
And I still can't believe that my nigga is gone

But you up there, and I'm still in the hood  
So I'ma hold it down like a real nigga should  
I can't believe this shit, what the fuck I'm suppose to do?  
When I make it in this bitch I'm suppose to share this shit with you  
I remember that day, like it was yesterday  
And I put this on my life, I'ma get them out the way  
You my right hand man, but you're more like a brother  
That's my auntie Cat but I love her like a mother  
Aint no day that go by that I don't think about you  
Every time I wake up I'm like, man it's not true  
Man I'm missing my nigga and I don't know what to do  
I've been sick since you left, walking around with the flu

[Chorus 2X]

I got my head to sky, man I need my nigga back  
Asking GOD to watch over me and keep me on track  
Ever since you've been gone, I don't know how to act  
I got my hand on my chrome and I'm rocking like that
