

It's 2 A.M.

Shemekia Copeland

Ring-a-ling-a-ling is the sound been hearin all night
Tryin to call my baby up, the connection aint workin out right
I got a world of suspicion rollin round in my brain
He better come home soon, cause my heart cant stand the pain
When I look at the clock and I see the time
Hear a voice ringing out in the back of my mind
Its 2 a.m., do you know where your baby is? (2x)Jumped in my car, put my foot on the floor
I better find that boy soon, I cant take this wrong direction no more
My minds imagination, seein spots on the wall
Hes got my fever meter runnin, makes the Indy 500 crawl
And I go to the corner where the gang hangs out
And my friends my me hearing somebody shout
Its 2 a.m., do you know where your baby is? (2x)Well he might be with the boys, but I doubt it
Think somebodys with him while Im sitting home without him, ohh-hh!(solo-1v + ch)
