

# Signal To Noise (Live In London/2011)

[Peter Gabriel](#)

You know the way that things go  
When what you fight for starts to fall  
And in that fuzzy picture  
The writing stands out on the wall  
So clearly on the wall Send out the signals deep and loud And in this place, can you reassure me  
With a touch, a smile - while the cradle's burning  
All the while the world is turning to noise  
Oh the more that it's surrounding us  
The more that it destroys  
Turn up the signal  
Wipe out the noise Send out the signal deep and loud Man I'm losing sound and sight  
Of all those who can tell me wrong from right  
When all things beautiful and bright  
Sink in the night  
Yet there's still something in my heart  
That can find a way  
To make a start  
To turn up the signal  
Wipe out the noise Wipe out the noise  
Wipe out the noise  
You know that's it  
You know that's it  
You know that's it  
Receive and transmit  
Receive and transmit  
Receive and transmit  
You know that's it  
You know that's it  
Receive and transmit  
You know that's it  
You know that's it  
Receive and transmit
