

# Intro

## Kelis

Okay, so I'm gonna give you a few things to taste  
And you tell me what you think, okay  
Aright taste this  
Is that good? Real good  
Okay you like this  
Alright now wait, taste this  
Does it quinch your thirst  
  
Good okay  
Now try some candy  
Sweet right, sugary  
Okay now wait, taste this  
Taste that, go ahead  
Okay now I'm gonna give you something really good
