# Why

## Shades

Ohhhhhhhh, ahhhhhh, yeah, mmmmmmmmmmLast night you didn't call me
I tossed and turned
I called you all night
I was concerned
I prayed in my bed
You was all right
I cried and I cried
I stayed up all nightWhy you have to leave me standing in the cold
Why'd you leave me, all alone
Why'd you leave me leave me leave me
Why you have to leave me standing in the cold
Why'd you leave me, all alone
Why'd you leave me leave me leave meThese days are hard times
For me
Cause I really miss you
I'm unhappy
Why won't you call me?
Where is your love now?
I can't forget
You're all I think ofWhy you have to leave me standing in the cold
Why'd you leave me, all alone
Why'd you leave me leave me leave me
Why you have to leave me standing in the cold
Why'd you leave me, all alone
Why'd you leave me leave me leave meI know you're down, tell me what I've done (ohhhhh)
Take the blame won't give you up (ahhhh)
Be with you just one more time (ooooooooo)
Time to make up my mind (yeah)I know you're down tell me what I've done (ohhhhhh)
Take the blame won't give you up (ahhh)
Be with you just one more time (ohhhhh)
Time to make up my mind (yeah yeah)I know you're down tell me what I've done (ohhhh)
Take the blame won't give you up (ahhhh)
Be with you just one more time (ooooooo)
Time to make up my mind (ahhhhhhh)I know you're down tell me what I've done (ooooooo)
Take the blame won't give you up (oooooooo)
Be with you just one more time (ahhhhhhh)
Time to make up my mind (ahhh ohhh)Why you have to leave me standing in the cold
Why'd you leave me, all alone
Why'd you leave me leave me leave me

Why you have to leave me standing in the cold
Why'd you leave me, all alone
Why'd you leave me leave me leave me
