

When I Look into Your Heart

Vince Gill

[Chorus]

When I look into your heart

I see us holding each other

I can finally see forever

When I look into your heart I've seen the moon dance on the waters

Watched the morning sun slip through the trees

But the sight of you is the vision

That takes me to my knees [Chorus] I've never known such comfort

I've never felt such release

I've never felt so connected

I've never known such peace [Chorus] I can finally see forever

When I look into your heart
