

# Just Once

[Shim Changmin](#)

I did my best but I guess my best wasn't good enough  
'Cause here we are back where we were before  
Seems nothing ever changes, we're back to being strangers  
Wondering if we oughta stay or head on out the door  
Just once, can't we figure out what we keep doing wrong  
Why we never last for very long  
What are we doing wrong  
Just once, can't we find a way to finally make it right  
Make the magic last for more than just one night  
If we could just get to it, I know we could break through it  
I gave my all but I think my all may have been too much  
'Cause Lord knows we're not getting anywhere  
Seems we're always blowing whatever we got going  
And it seems at times with all we've got we haven't got a prayer  
Just once, can't we figure out what we keep doing wrong  
Why the good times never last for long

Where're we going wrong  
Just once, can't we find a way to finally make it right  
Make the magic last for more than just one night  
I know we could break through it, if we could just get to it  
Just once, I want to understand  
Why it always come back to good-bye  
Why can't we get ourselves in hand and admit to one another  
We're no good with out the other  
Take the best and make it better  
Find a way to stay together  
Just once can't we find a way to finally make it right  
Make the magic last for more than just one night  
I know we could break through it, if we could just get to it  
Just once  
I know we can get through it  
Just once
