

# Trip Away (Live At Irvine Meadows, 1991)

## Jane's Addiction

Mama, lick on me now  
No care  
Put me on the bad side  
Oh, so bad  
I want to make you love  
Want to, want to watch your eyes  
Dip them in a honey glaze  
Mirror mine  
Roll them high  
Want to make them Drip away  
Trip away  
Trip away  
Trip away  
Trip away  
Trip away  
Way out  
Way out Oh, mama lick on me  
I'm as tasty as a red plumb  
Baby thumb  
Want to make you love  
Want to be wild animals  
Lay down in a shady den  
See the spring  
Color in  
Watch the stony winter Drip away  
Trip away  
Trip away  
Trip away  
Trip away  
Trip away  
Way out  
Way out Take my eye  
Do not wonder why  
I've come to the crux  
I've looked it up and down  
Seen the trespassers trample themselves  
As the miser makes love with his wealth  
Convenience his lure! Tripped away the summer days  
Some are gone

Some are O.K.  
Summers gone  
Some are makin' love  
I love to watch you  
Love to watch youDrip away  
Trip away  
Trip away  
Trip away  
Trip awayTrip away  
Way out  
Way out
