

Lovin' You

Mary Black

I have been wondering
What I'm gonna do
While you are sleeping
Am I sleeping too Well, I'm just sittin' here lovin' you
Close my eyes and lovin' you
Oh, I'm just sittin' back
Sittin' here lovin' you If you've been wonderin'
Just what I would do
If I weren't sleeping
Had I not found you Well, I'd be outside finding you
I'd be walkin' down the avenue finding you
Oh, I'm just sittin' back
Sittin' here lovin' you Oh, the reason that you never see me runnin' 'round
Fingers on my forehead couldn't calm me down
And I can't even get me up and on my feet When I have to take care of some business on the street
Oh, I have been walkin' all my streets alone
I'd keep on walkin' to keep from goin' home I couldn't quite barely conceive of you
Now I can't conceive of ever leavin' you
Oh, I'm just sittin' back
Sittin' here lovin' you Oh, the reason that you never see me runnin' 'round
Fingers on my forehead couldn't calm me down
And I can't even get me up and on my feet
When I have to take care of some business on the street If you've been wonderin'
Just what I would do
If I weren't sleeping
Had I not found you Well, I'd be outside finding you
I'd be walkin' down the avenue finding you
I'm just sittin' back
Sittin' here lovin' you Oh, I'm just sittin' back
Sittin' here lovin' you
Oh, I'm just sittin' back
Sittin' here lovin' you
