Now or Never

Thirsty Merc

Hey girl
You're runnin away from me
I can't give you any more than honesty
I must read like an old love letter
Little girl
Its now or neverWe've had
some time to learn the rules
I'm so bad at wearing other peoples shoes
I really thought that we could be together
And thats why
It's now or never
(It's now or never)I can't live this life without you
And I don't care if they say
I'm off my head
Cause baby when it's now or never
It's now or neverWe both know
You called my phone to speak
But I was freakin so I turned the other cheek
I know now was less than clever
Little girl, it's now or neverIf you
could read my troubled mind
If only you could feel my heart beat overtime
I'd make it known on this earth forever
I want you
and it's now or never
It's now or neverAnd like a candle burning
Both ends are melted all through
My hourglass is turning
I can't live this life without you
And I don't care if they say
I'm off my head
'Cause baby when its now or never
It's now or never
It's now or neverI'm not off my head
I'm not off my head
I'm not off my head
I'm not off my head
