Coaster

Khalid

[Verse 1]
As time passes, I feel so low
Searchin' for pieces, covering up the hole
I'll fight for your love, I'll fight for your soul
I'll throw all of my cares away for you
I'll be there to wait for you
Maybe you weren't the one for me,
But deep down I wanted you to be
I'll still see you in my dreams,
All the things that I did for you, just wasn't it for you[Chorus]
So I'll be coasting, roller-coasting,
Through my emotion
I will be coasting, roller-coasting,
I'm hoping that you'll come back to me[Verse 2]
Moving on seems harder to do
when the one that you love moves faster than you
I gave you my all, I showed the proof of your lies
And you weren't worth it, you don't deserve me
As time passes I'm feeling high
You're not the one I'm thinking of tonight
I may not be over you, but I'll try inside
I'm feeling better now, finally feeling special now, oh[Chorus]
Coasting, roller-coasting,
In my emotions, oh
I'll be coasting, roller-coasting,
I noticed you weren't the one for me
