Stay at Home (Live Version)

Johnathan Rice

The soldiers will run and the guns they will blow them away
They're choking on sand in some faraway land todayDon't go
Stay at homeWas it you that I saw in the market just losing your way
With your head in your hands and baby just crying awayDon't go
Stay at homeSuch a sad sight to see all the sweethearts alone in their rooms
The dancehalls are empty under the summer moonDon't go
Stay at homeStay home
