Sky cities scrape
The lining of heaven
Beneath this vast region
Manifest destination, destination
Leaves us fast erasingDays pass
Time flies
You don't realize
Today you wasteThis dying youth of beauty
And pleasure evaporates
Lives are connected to lasting obsessions
That become possessions of waste
While buying the next new fashion that's fed to
Enslave this land of the freeDays pass
Time flies
You don't realize
Today you wasteDays pass
Time flies
You don't realize
Today you wasteDon't be so surprised
Don't be so surprised
Don't be so surprised
Don't be so surprisedDon't be so surprised
Don't be so surprised
Don't be so surprised
Don't be so surprisedDays pass
Time flies
You don't realize
Today you waste
