Move This Body

HOMESHAKE

Standing all alone in the corner
It's something that I'm used to now
Maybe if I step out to call her
She would know what to do
Cuz baby I'm in need of something
And if anybody knows it's you
What i should be doing with my feelings
Do you think that i just need to move this body nowBaby you know that I should
Maybe if you ask we could dance all night
Baby you know that I should
Maybe if you ask we could dance all night
Tryna make my way through the bodies
Sweat is soakin' through my clothes
Walkin' out the door when she saw me
With all the secrets that she knew
So she takes my hand, I feel nervous
Cuz movin's what she plans to do
Whispered in my ear and I heard it(I think you just need to move your body now)Baby you know that I should
Maybe if you ask we could dance all night
Baby you know that i should
Maybe if you ask we could dance all night
Baby you know that I should
Maybe if you ask we could dance all night
Baby you know that I should
Maybe if you ask we could dance all night
(Hey baby, you wanna come dance with me
I think you'd might like it
Its not so hard
C'mon")
