Hercules and Love Affair

I'm not a visitor
But I've got some words for you
That voice that you refused will not come back to you
We are done with words
It's time for noise
We are done with words
It's time for toysIt's no time to stand
It's time to jump
No time to sleep
It's time to bumpBumpYou've got to take no more
Use up all your goods
You've got to hit the floor
It's time you understood
Give up your quite life
Do what your instincts say
Drop the same old thing
Roll around and playIt's no time to stand
It's time to jump
No time to sleep
It's time to bumpIt's no time to stand
It's time to jump
No time to sleep
It's time to bumpIt's time to jump
It's time to jump
It's time to jump
There's no time to sleep
It's time to jump
It's time to jumpI'm not the visitor
I'm not the visitor
I'm not the visitor
I'm not the visitor
