I Want To Be In Love

Melissa Etheridge

I have climbed the highest mountain
I have sailed across the sea
I have wrestled with my demons
And woke up with only me
I have been around the block
Three times maybe four
And I think I deserve just a little moreIn front of total strangers won't you kiss me
Flowers for no reason but you miss me
Oh I want to be in love
You're standing on the doorstep in the rain
Cause you couldn't wait to see me once again
Oh I want to be in loveI have made some big mistakes
And I've paid a heavy price
I found a little peace between will and sacrifice
I have watched as all my dreams
Went walking out the door
And I think I deserve just a little moreI'm looking for a heart of gold
I'm looking for a hand to hold
A happy end
Strong and kind
Somewhere to rest my troubled mind
