

Yer Majesty

Shinedown

Come closer inside
There's something I need you to see
It's just a picture
Of what the ignorant believe
I come so you can know me
I'm here to make you proud
I come to wreck and guide you
I'm here to show you how
You know I'm coming for you
'Cause I got nothing to lose
And now I'm still on my way
For the pay
So you wanted to be free from everything you've done to me?
And you wanted to be known so you wouldn't feel so alone?
And you wanted to believe that you steal our integrity?
And I'm sorry you're on your knees, but you can't blame me, Yer Majesty
Let's take a moment
I need to spoil who you are
I played your game once

You sold me out with no regard
I come so you can know me
I'm here to make you proud
I come to wreck and guide you
I'm here to voice out loud
You know I'm coming for you
'Cause I got nothing to lose
And now I'm still on my way
For the pay
So you wanted to be free from everything you've done to me?
And you wanted to be known so you wouldn't feel so alone?
And you wanted to believe that you steal our integrity?
And I'm sorry you're on your knees, but you can't blame me, Yer Majesty
So you wanted to be free from everything you've done to me?
And you wanted to be known so you wouldn't feel so alone?
And you wanted to believe that you steal our integrity?
And I'm sorry you're on your knees, but you can't blame me, Yer Majesty
