

# Brooklyn

Woody Allen

I never used to go to the beach,  
'cause I come from Brooklyn,  
we only had Coney Island,  
which was an awful beach,  
though there was rumours during the war,  
that enemy submarines,  
German subs came into the bathing area at Coney Island,  
and they were destroyed by the pollution.  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
