

# Rainy Night In Georgia

Hank Williams, Jr.

Hoverin' by my suitcase  
Tryin' to find a warm place to spend the night  
A heavy rain a fallin' seems  
I hear your voice a callin' it's all right  
On this rainy night in Georgia  
A rainy night in Georgia I believe it's rainin' all over the world  
Neon signs a flashin' taxicabs and buses  
Passin' through the night  
The distant moanin' of a train  
Seems to play a sad refrain onto the night  
On this rainy night in Georgia  
Such a rainy night in Georgia I think, it's rainin' all over the world  
How many times I have wondered  
But it always comes out the same  
No matter how I look at it'll think about it  
It's just like some of its pleasures  
Some of its pain I find me a place in a boxcar  
So I take out my guitar to pass some time  
Late at night when it's hard to rest  
I hold your picture to my chest  
And then I'm all right  
But it's still a rainy night in Georgia  
It's a rainy night in Georgia
